

Tuskegee Veterinary Scholars Program (TVSP) 2024

Experience High Quality
Biomedical Research
Right here at HOME

Tuskegee University
College of Veterinary Medicine

TVSP Program Description

‡Runs for 1012 weeks from May 20, 2024

‡Purpose is to expose veterinary students to research and introduce them to research-oriented career options through various activities

‡Each student will work on a project with a Faculty Mentor

‡Students present their work at a symposium

‡Social activities and day trip/s

Process

Application: now through March 1, 2024

Award Notification by Friday, March 22, 2024

Start research on Monday, May 20, 2024

Only accepted will be notified

Application

‡ Go to: <https://www.tuskegee.edu/programs-courses/colleges-schools/cvm/cvm-tuskegeeveterinary-scholarsprogram-tvsp>

‡ [Apply to TVSP](#) applies to you.

‡ Please Checkmark all three program options, unless you do not want to be considered for one or more of the program options.

TU-MSU partnership T35 Summer Research Experience

‡ You may also do summer research at Mississippi State University College of Veterinary Medicine, our partner.

‡ If you would like to directly apply to MSU, please follow this link:
<https://www.vetmed.msstate.edu/research/summer-research>

Options

‡ HHSCOE option

- ‡ 10 weeks research in TUCVM
- ‡ Symposium presentation at TU One Health Symposium (September) or elsewhere

‡ T35 collaboration with Mississippi option

- ‡ 12 weeks at TU or MSU
- ‡ Symposium presentation in Minnesota and at TU One Health Symposium

‡ Boehringer Ingelheim Scholar option

- ‡ 10 weeks at TU
- ‡ Symposium presentation at Tufts and at TU one health symposium

‡ Stipends are about \$520/week rates for 2024 (may be higher, TBD)

‡ 2nd year veterinary students have the option of doing clinical based research if they find a mentor; 1st year veterinary students work mainly with basic science faculty or projects.

‡ AND Lots of Educational and Professional Development activities besides research
