Bio

Throughout his career, Corey Robinson has been a driving force in defining and implementing strategies to drive operational excellence, as well as revenue, profit, and competitive advantage in hyper markets. Corey leverages an ability to recruit and retain top talent and understands that leaders succeed due to the efforts of their teams. He values the skills and potential members bring to the table and leverages individual strengths to help guide organizations to unprecedented levels of success.

In his current Executive Operations role with Cigna, Corey is a member of the executive leadership team and directs all US and international operations for a large portfolio of products and lines of business. His successes have included leading the organization to be recognized with the Champions Award for medical cost improvements totaling \$20+ million. He also served as the Operational Lead for the integration of &LJQD¶V ELOOLRQ DFTXLVLWLRQ RI ([SUHV V 6FULSWV

Prior to joining Cigna, Corey served in several leadership roles with Capital One Bank, including SVP Operations and SVP, Commercial and Small Business Loan Operations. There are 850
